**TRUSTEE'S MOTION FOR  
ORDER APPROVING SALE PROCEDURES FOR AUCTION SALE OF  
DEBTOR'S INVENTORY, FURNITURE, FIXTURES, AND EQUIPMENT  
AND MOTION TO TRANSFER LIENS AND INTERESTS TO SALE PROCEEDS**

Timothy J. Miller, Trustee, by and through his attorneys OSIPOV BIGELMAN, P.C. states for the Trustee's Motion ("Motion") for Order Approving Auction Sale of Debtor's Inventory, Furniture, Fixtures, and Equipment, and Motion to Transfer Liens and Interests to Sale Proceeds as follows:

**Background**

1. The Debtor is a limited liability corporation that had operations and assets in several states, including significant assets at facilities in Georgia, Pennsylvania, South Carolina, Nevada, and Texas (collectively, the "Facilities"). Such assets include inventory, business equipment, and other tangible property.
2. On May 9, 2022 (the "Petition Date"), the Debtor filed a voluntary Chapter 7 bankruptcy petition. The Debtor's day-to-day business operations ceased immediately prior to the Petition Date, when substantially all of its employees were terminated.
3. According to the Debtor's Schedules, on the Petition Date (i) the Debtor's personal property (inventory and equipment) has a scheduled value of \$8,960,787.00; (ii) the purported secured creditors with secured interests in the personal property claim to be owed \$2,512,000.00; and (iii) the unsecured creditors (priority and nonpriority) have scheduled claims at \$5,879,104.00.
4. Timothy J. Miller, Trustee is the duly appointed Chapter 7 Trustee in this case.
5. The Trustee must collect and reduce to money all property of the estate, pursuant to 11

U.S.C. § 704(a)(1).

6. Since his appointment, the Trustee has taken steps to preserve and protect the Debtor's assets. On May 17, 2022, the Trustee filed his Application to retain the law firm of Osipov Bigelman, P.C. to assist him in locating and securing the Debtor's assets (ECF No. 17). The Court entered an order approving counsel's employment on May 17, 2022 (ECF No. 20) With the assistance of counsel, the Trustee has ensured the continued security of Debtor's assets at the Facilities, including working with the various landlords, insurance providers, security firms, and utilities.
7. The Trustee seeks authority to sell Debtor's remaining inventory, furniture, fixtures, equipment, and other personal property pursuant to a public auction sale.
8. The Trustee, with the assistance of counsel, has negotiated with Liquid Asset Partners, LLC ("Auctioneer"), a liquidation firm which routinely takes possession of and disposes of assets of the type and in the locations where the Debtor maintained its assets. Trustee, through his counsel, and the Auctioneer have reached an agreement to secure the assets, prepare the assets for sale and liquidate them in an orderly manner formulated to maximize the value of the Chapter 7 estate. The Trustee filed his amended Application to employ Auctioneer on June 27, 2022 (ECF No. 119).
9. As more fully set forth in the Liquidation Agreement attached hereto as **Exhibit B**, the Auctioneer will conduct "going out of business," "store closing," "bankruptcy liquidation," or similarly themed sales, as well as conducting an auction sale, wholesale sale, or sale in bulk, at the Facilities in order to maximize the liquidation proceeds of the inventory and equipment at the Facilities.
10. The Auctioneer has identified the following anticipated timeline, to commence immediately upon entry of an order approving this Motion, online and at each of the Facilities:
  - Day 1 to 5: Onsite evaluation, setup, cataloging, and lotting of the sealed bid lots
  - Day 6 to 15: Sealed bid customer meetings & preparing "other assets" for auction
  - Day 15 to 20: Listing of auction lots online
  - Day 21: Closing sealed bid to highest and best bidder, start bulk removal
  - Day 35: Auction previews
  - Day 36: Auction day
  - Day 37 to 44: Auction invoicing, payment collection, and asset removals
  - Day 45: Final walk-through and completion on site
  - Day 60: Final accounting finished

11. Auctioneer has agreed to waive any sales commissions and market and sell the Assets in consideration of a 15% buyer's premium.
12. Auctioneer has agreed to secure a surety bond and to cap expenses at \$48,500.00. Expenses are expected to consist of site supervisors, temporary labor, marketing and advertising, accounting of sale proceeds, insurance, credit card processing fees, and any other costs typically incurred in such auction sales. This does not include costs of the surety bond required by the US Trustee which is estimated to cost \$7,500.00.
13. The items to be sold ("Assets") are identified in the asset list attached hereto as **Exhibit A**. Pending sale, the Assets will remain in place at the Facilities, which the Trustee has secured.
14. The Trustee asserts that the Auctioneer's liquidation of the Assets as set forth herein will benefit the Estate and its creditors.
15. The Trustee seeks a prompt liquidation of the Assets from the Facilities, as the estate continues to incur expenses associated with the preservation of the Assets, including rent, insurance, utilities, and security.

### **Argument**

#### **Sale Outside the Ordinary Course of Business**

16. The Trustee is seeking, inter alia, an order authorizing the sale of the Debtor's Assets, outside the ordinary course of the Debtor's day-to-day business operations, to be conducted at the Facilities.
17. 11 U.S.C. § 363(b)(1) provides that "[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate." Moreover, 11 U.S.C. § 105(a) provides that "[t]he Court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title."
18. The Trustee may sell assets outside of the ordinary course of business under § 363(b)(1) if a sound business purpose exists for doing so. *In re Woodberry*, 629 B.R. 239, 246 (Bankr. E.D. Mich., 2021).
19. The relevant factors in deciding whether a sound business purpose exists for a § 363 sale of assets are: (i) whether the terms of the proposed sale reflect the highest and best offer for the assets; (ii) whether negotiations have been conducted at arm's length and (iii)

whether the sale is in the best interest of the estate and its creditors. *Stephens Indus., Inc. v. McClung*, 789 F.2d 386, 390 (6th Cir. 1986).

20. In this case, the analysis of the relevant factors favors a ruling that the Auctioneer's sale of the Assets is based in a sound business purpose. The Trustee has consulted with several representatives of the Debtor, the Debtor's financial consultants, creditors, financial professionals, and several liquidation professionals (including Auctioneer). Based upon the Trustee's investigation and analysis of the Debtor's ongoing and future business prospects, the Trustee has determined that the Debtor has little value as a going-concern, and that a sale of the Assets by auction pursuant to 11 U.S.C. § 363 is the most effective way to maximize their value, particularly where the costs of preserving the Assets continue to accumulate. Maximizing asset value and preventing accumulation of administrative costs are sound business purposes that warrant authorizing the proposed auction sale. The sale of the Assets will be well-marketed and open to the public. The Assets will be sold on the open market for the prices that the market will bear. The Auctioneer's sale of the Assets is the most efficient way to liquidate the Assets, thereby maximizing the recovery of the creditors in this case.
21. Accordingly, the auction sale of the Assets is appropriate under 11 U.S.C. §§ 105 and 363. The procedures set forth herein will ensure that the bidding process is fair and reasonable and will yield the maximum return for the estate and creditors. Auctioneer is a qualified and nationally renowned liquidation specialist, and has the knowledge, personnel, and experience to obtain maximum value for the Assets.

*Waiver of Compliance with any State and Local Restrictions*

22. Given the varied geographical locations of the Facilities, there could be state and local laws, statutes, rules, and ordinances which place various restrictions on the types of sales contemplated by this Motion. These restrictions could include licensure requirements, waiting periods, time limitations or other procedures for the sale. However, this Court has exclusive jurisdiction over the Debtor's property, wherever located. 28 U.S.C. §1334(e)(1). Conflicts with state and local laws are resolved in favor of the Bankruptcy Code, to the extent there is a conflict with the underlying policies of the Bankruptcy Code. *Reinhardt v. Vanderbilt Mortgage and Fin., Inc.*, 563 F.3d 558, 563 (6th Cir. 2009) (finding that Bankruptcy Courts only look to state law "to the extent it does not

conflict with the bankruptcy code”); *see also*, *Belculfine v. Aloe (In re Shenango Group, Inc.)*, 186 B.R. 623, 628 (Bankr. W.D. Pa. 1995), *aff’d* 112 F.3d 633 (3d Cir. 1997). Where the non-Bankruptcy Code law involves economic regulation, rather than public health and safety, Bankruptcy preemption is more appropriate. *See Baker & Drake, Inc. v. Public Serv. Comm’n of Nev. (In re Baker & Drake, Inc.)*, 35 F.3d 1348, 1353 (9th Cir. 1994).

23. Any state or local restrictions that might be placed on the Auctioneer’s sale of the Assets would undermine the Trustee’s ability to fulfill his statutory duty to liquidate the assets in an expeditious manner. Furthermore, 11 U.S.C. § 363(b)(1) specifically allows for sales outside of the Debtor’s ordinary course of business with Bankruptcy Court approval. Authorizing the Sale to proceed without regard to state and local laws that would inject delay and burden through licensure, waiting periods or time limits, or restrictions on advertising, is necessary and appropriate.
24. The Trustee also seeks an injunction against any action by any lessor or any federal, state or local agency, department or governmental authority or any other entity to prevent, interfere or otherwise hinder consummation of the Auctioneer’s sale of the Assets or advertisements relating to such sales. *See Missouri v. U.S. Bankruptcy Court*, 647 F.2d 768, 776 (8th Cir. 1981) (concluding that state laws that primarily relate to the regulation of pecuniary interest in the debtor’s property directly conflict with the control of the debtor’s property by the Bankruptcy Court). The Trustee acknowledges that any such injunction should be narrowly tailored to facilitate the sale of the Assets. Accordingly, the Trustee does not seek to enjoin ability of Governmental Units (as defined in 11 U.S.C. § 101(27)) from enforcing any applicable state and local public health and safety laws or any tax, labor, employment, environmental, or consumer protection laws, including consumer laws regulating deceptive practices and false advertising.
25. The Trustee is unaware of any provisions in any of the Debtor’s leases of the Facilities that would condition or prohibit the sale as contemplated by this Motion. Nevertheless, to the extent that any such lease would contain such provisions, such provisions are unenforceable, as they “conflict with a debtor’s statutory right to receive the full benefit of its . . . liquidation efforts.” *In re Tobago Bay Trading Co.*, 112 B.R. 463, 467 (Bankr. N.D. Ga. 1990) (finding that Bankruptcy Code Section 365 exempts from timely

performance lease clauses that restrict the debtor's liquidation and noting that Section 365 applies in Chapter 7 proceedings); *see also, In re Lisbon Shops, Inc.*, 24 B.R. 693, 695 (Bankr. E.D. Mo. 1982) (finding that restrictive lease clauses at issue in a Chapter 11 proceeding were unenforceable to the extent they purport to restrict a debtor's going-out-of-business sale). To the extent any of the Facility leases contain provisions which purport to restrict the Auctioneer's sale of the Assets, the Trustee requests that the Court authorize the Trustee and Auctioneer to conduct such sale without regard to such provisions.

*Sale Free and Clear of Interests*

26. To facilitate the Auctioneer's ability to maximize the value of the Assets, the Trustee requests authorization to sell such Assets free and clear of any and all interests, including claims, liens, and encumbrances that may be asserted against the Assets.
27. Alleged secured claims total \$2,500,000.00 (\$1,500,000.00 held by Brian Eisenberg, \$500,000.00 held by Kenneth Eisenberg, and \$500,000.00 held by Stephen Eisenberg). The Trustee has disputed the validity of these liens, on the grounds that some of the alleged funds were not actually loaned to the Debtor, and/or the liens were not properly perfected or are otherwise avoidable or subject to setoff
28. Pursuant to 11 U.S.C. § 363(f), the Trustee may sell property free and clear of any interest in such property if, among other things, any one of the following five conditions are met:
  - 1) applicable nonbankruptcy law permits sale of such property free and clear of such interest;
  - 2) such entity consents;
  - 3) such interest is a lien and the price at which such property is sold is greater than the aggregate value of all liens on such property;
  - 4) such interest is in bona fide dispute; or
  - 5) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest.
29. 11 U.S.C. § 363(f) permits the sale of estate property free and clear of interests if any one of the five conditions above is met. *K&D Indus. Servs. Holding Co.*, 602 B.R. 16, 24 (Bankr. E.D. Mich. 2019).

30. In this case, at a minimum, the alleged liens are subject to the Trustee's bona fide dispute (§ 363(f)(4)), and the alleged lienholders could be compelled to accept a monetary satisfaction of their lien (§ 363(f)(5)), following liquidation of their collateral.
31. Accordingly, this Court should authorize the Trustee to sell the Assets free and clear of any and all interests, including claims, liens, and encumbrances, that may be asserted by any party, with any such claims, liens, and encumbrances attaching to the net proceeds of the auction sale, in the same order and priority as they exist prior to such sale, except for the payment of 11 U.S.C. § 506(c) expenses, as discussed *infra*.

*Surcharge for Administrative Expenses*

32. Bankruptcy Code Section 506(c) provides:
- The Trustee may recover from property securing an allowed claim the reasonable, necessary costs and expenses of preserving, or disposing of, such property to the extent of any benefit to the holder of such claim, including the payment of all ad valorem property taxes with respect to the property.
33. A Section 506(c) surcharge represents an exception to the traditional rule that the costs of administration of a bankruptcy estate may not be charged against the secured creditors. "A party seeking to surcharge has the burden of proving, by a preponderance of the evidence, either a direct quantifiable benefit to the secured creditor which enabled the secured creditor to realize as much or more than it would have had it enforced its security interest outside of bankruptcy, or that the creditor consented directly or by implication." *In re Glen Eden Hosp.*, 1995 Bankr. LEXIS 2130 at \*2-3 (Bankr. E.D. Mich. 1995). *See also In re Staunton Indus., Inc.*, 75 B.R. 699, 702 (Bankr. E.D. Mich. 1987).
34. The Trustee seeks authority to incur and to surcharge against the Assets the costs of preserving and disposing of those assets. In this case, the Assets must be located, inventoried, secured, and sold in an orderly process. In order to properly liquidate the assets, the Trustee must incur the costs and expenses necessary to preserve, advertise for sale and properly liquidate the Assets if any of the creditors, including the secured creditors, are to receive any substantial recovery in this case. Such costs and expenses may include, but are not limited to, rents, security costs, utilities, insurance, and professional fees.
35. To compensate the Trustee and the Trustee's retained professionals, the Trustee

respectfully requests that the Court permit the Trustee to surcharge the proceeds of the sale of the Assets with the reasonable costs and expenses of preserving and disposing of the Assets, including the payment of all professional fees, pursuant to 11 U.S.C. § 506(c) (the “Section 506(c) Expenses”). Such expenses may include, but are not necessarily limited to: rent (\$100,000.00/month), security (\$20,000.00/month), utilities (\$10,000.00/month), costs of retention of Debtor’s former employees to assist with the liquidation of assets (\$10,000.00/week), and other administrative expenses.

36. To ensure that the Section 506(c) Expenses are reasonable and necessary, the Trustee and his professionals shall submit applications to the Court for the allowance of their respective Section 506(c) Expenses, and those expenses shall not be paid until an Order of this Court approves payment.

Waiver of Stay

37. Fed. R. Bankr. P. 6004(h) provides that: “[a]n order authorizing the use, sale, or lease of property . . . is stayed until the expiration of 14 days after entry of the order, unless the court orders otherwise.”
38. The Trustee requests that the Court waive the fourteen-day stay of Fed. R. Bankr. P. 6004. By waiving such requirement, the Trustee and any purchaser will be able to immediately close the sale of the Assets, which will benefit the estate by avoiding the continued accrual of administrative expenses

Sales Made in Good Faith

39. The Trustee requests that any sales of the Assets pursuant to the procedures identified herein be deemed made in good faith within the meaning of 11 U.S.C. §363(m), and afforded the full protection thereby provided. Auctioneer’s procedures are designed to reach the widest range of arm’s-length potential purchasers and to obtain the very highest value possible for the Assets. The disposition of the Assets pursuant to the auction procedures identified herein represents an accepted method for the liquidation sale of business assets.

Abandonment of Unsold Assets

40. During the course of the sale, the Trustee may determine that the costs associated with holding or selling certain of the Assets exceed the likely proceeds that may derive from any sale of same. As such, those assets are of inconsequential value and may be

burdensome to the estate. To maximize the value of the estate, the Trustee requests authority under 11 U.S.C. § 554(a) to abandon assets the Trustee determines to be burdensome or of inconsequential value or benefit to the estate.

41. At the termination of the sale, any abandoned Assets may be abandoned in place by the Trustee, and the Facility landlord may dispose of such property without liability to it, the Trustee, or any other third party.

WHEREFORE, Timothy J. Miller, Trustee, prays for entry of an appropriate order.

Respectfully submitted,

PROPOSED

**ORDER APPROVING SALE PROCEDURES FOR AUCTION SALE OF  
DEBTOR'S INVENTORY, FURNITURE, FIXTURES, AND EQUIPMENT  
AND MOTION TO TRANSFER LIENS AND INTERESTS TO SALE PROCEEDS**

This matter has come before the court on Timothy J. Miller, Trustee's Motion for Order Approving Sale Procedures for Auction Sale of Debtor's Inventory, Furniture, Fixtures, and Equipment, and Motion to Transfer Liens and Interests to Sale Proceeds ("the Motion").

The Court has reviewed the Motion. Notice has been provided to all creditors and parties in interest in accordance with applicable Court rules. No objections were filed within the time set forth by applicable Court rules. The Court finds, therefore, that good cause exists to grant the Motion and enter this Order.

**WHEREAS,**

- A. The Court has jurisdiction over the Motion pursuant to 28 U.S.C. §§ 157 and 1334, and this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A).
- B. The auction procedures described in the Motion are fair, reasonable, and appropriate and are designed to maximize the recovery with respect to the Debtor's assets ("Assets") identified on Exhibit A to the Motion.
- C. The Trustee has demonstrated a sound business justification to authorize the sale

of the Assets<sup>1</sup> outside the ordinary course of the Debtor's business.

D. The sale of the Assets pursuant to the terms and procedures described in the Motion is appropriate and in the best interests of the estate pursuant to 11 U.S.C. §363(b).

**NOW THEREFORE, IT IS HEREBY ORDERED:**

1. The Trustee's Motion is granted.
2. The Trustee is authorized to sell the Assets at auction, pursuant to the terms and procedures described in the Motion.
3. The sale shall be conducted in accordance with the terms of the Liquidation Agreement attached to the Motion as Exhibit A.
4. Any Assets sold at auction pursuant to this Order are sold free and clear of any and all interests, including claims, liens, and encumbrances, that may be asserted by any party. Any such claims, liens, and encumbrances shall attach to the net proceeds of the Assets, in the same order and priority as they existed prior to such sale.
5. The Trustee may surcharge the proceeds of the auction sale to pay administrative expenses, including the reasonable, necessary costs and expenses of preserving and liquidating the Assets, pursuant to 11 U.S.C. § 506(c). Such administrative expenses must be sought by separate application, with proper notice and opportunity for hearing.
6. Any federal, state or local agency, department or governmental authority with regulatory authority over the sale of the Assets shall consider this Order binding, and no further approval, license, or permits of any governmental authority shall be required; provided, however that the Trustee continue to be bound by and comply with the state and local

<sup>1</sup> To the extent not otherwise defined in this Order, capitalized terms contained herein shall have the meaning ascribed to them in the Motion.

public health and safety laws, and tax, labor, employment, environmental and consumer protection laws, including consumer laws regulating deceptive practices and false advertising, to the extent applicable.

7. Any parties or persons, including, but not limited to, Debtor's landlords, subtenants, lien holders, utility companies, creditors, and all persons acting for or on their behalf (but not including Governmental Units as defined in 11 U.S.C. § 101(27)) shall not interfere with or otherwise impede the conduct of the Trustee's sale of the Assets, institute any action against the Trustee or the Debtor, (other than in the Bankruptcy Court) which in any way directly or indirectly interferes with or obstructs or otherwise impedes the conduct of the sale. This Court shall retain exclusive jurisdiction to resolve such disputes.
8. Notwithstanding any provision in any Facility lease to the contrary, the Trustee shall be permitted to conduct the sale in accordance with this Order, and to take all actions reasonably related thereto or arising in connection therewith, including advertising such sales as "going-out-of-business," "bankruptcy liquidation," "auction," or similarly themed sale in media advertisements, on interior and exterior banners, sign walkers, and other signage that the Trustee deems appropriate, without complying with any such restrictive lease provision. Parties to any Facility lease are hereafter enjoined from in any way interfering with or otherwise restricting the Trustee from conducting the sale and from seeking to recover damages for breach of any such restrictive lease provisions.
9. Provided that the sale is conducted in accordance with the terms of this Order, the Trustee and the Trustee's retained professionals shall be deemed to be in compliance with the requirements of any applicable "going-out-of-business," "bankruptcy liquidation," "store closing," or similarly themed inventory liquidation sales, or bulk sale laws.

10. The sale shall be conducted by the Trustee and the Trustee's retained professionals without the necessity of compliance with any federal, state, or local statute or ordinance (other than public health and safety laws), lease provision, or licensing requirement affecting store closing, going out of business, bankruptcy liquidation, or affecting advertising, including signs, sign walkers, banners, and posting of signage.
11. While conducting the sale of Debtor's Assets, the Trustee and the Trustee's retained professionals shall have peaceful possession and quiet enjoyment of the Facilities for the purposes of conducting the sale of the Assets in accordance with this Order.
12. The sale at the Facilities shall be conducted by the Trustee and the Trustee's retained professionals notwithstanding any restrictive provision of any lease, sublease, or other agreement relative to occupancy affecting or purporting to restrict the conduct of such sale, the rejection of leases, abandonment of assets, or "going dark" provisions.
13. The Trustee, the Trustee's retained professionals, and their respective officers, employees, and agents are authorized to execute such documents and to do such acts as are necessary or desirable to carry out the sale.
14. Any stay of effectiveness of this Order pursuant to Fed. R. Bankr. P. 6004(h) is waived.
15. Any purchases made at the auction held pursuant to this Order shall be deemed made in good faith, within the meaning of 11 U.S.C. § 363(m), and afforded the full protections of that section.
16. The Trustee is authorized to terminate the auction at any time if he determines, in his sole discretion, that the auction will not maximize the value of the Assets to be realized by the estate.
17. Upon conclusion of the auction, the Trustee shall file a report with the Court setting forth

the auction results.

18. Any Assets remaining in the Facilities following conclusion of the sale may be abandoned in place by the Trustee, and the affected landlord, the Trustee, or the Debtor may dispose of such property without liability to the Trustee, the Trustee's retained professionals, or any third party.
